What is Gift Aid and how does it mean more money for BBC Children in Need?

If you pay UK tax and tick the Gift Aid column, the Government will give us 25p on top of every £1 donation. We use this to help cover our running costs, and it won't cost you a penny. By ticking the box headed 'Gift Aid? ✓' you are agreeing to the following statement – "I want BBC Children in Need to reclaim tax on my donation detailed, given on the date shown. I confirm I am a UK taxpayer and understand that if I pay less Income Tax / or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference."

If you're a higher rate tax payer then you could make your donation go even further. You can claim the difference between the rate you pay and basic rate on your donation. If you opt to donate this extra saving to us, we can claim further Gift Aid, increasing our income on your donation by over 50%, all at no extra cost to you.

This is an easy way to increase the impact of your donations, and further details are available from the HMRC website.
