

Growth Mindset

Instead of...	Try thinking...
I'm not good at this.	What am I missing? I can't do this yet . I need to practise more.
I give up!	I'll try a different way.
It's good enough.	Is this the best I can do?
I can't make this any better.	I can always improve.
This is too hard.	This may take some time and effort.
I'll never be that smart.	I will learn how to do this.
I just don't know how to do it.	What resources can help me find out?
I'm already good at this.	How can I keep getting better?
I'm afraid of making a mistake.	Mistakes are how I learn and get better.
They can't do it.	How can I help them to understand this?
