

Let's make... Bing's ears

Instructions:

- Cut out the two headband pieces from the second page and stick the two ends together to form a long strip. Measure your Bingster's head for fit and then stick the two remaining ends together.
- Now, time to cut out and decorate your ears any way you like! You may wish to stick them on some card first, a cereal box will work well.
- Allow time for any goo, glitter or paint you may have used to dry.
- Stick the decorated ears on to the headband in desired position and then...

Please use caution and your own good judgement about which steps your Bingster can safely be involved in.
