MAKING THE GLITTERBALL / GWNEUD Y BÊL GLITER

- When the cakes have cooled, cut each cake in half horizontally, so that you now have four pieces of cake. / Pan fydd y cacennau wedi oeri, torrwch bob cacen yn ei hanner yn llorweddol, fel bod genynch chi bedwar darn o gacen.
- Take one of the rounded pieces of your cake and using a bit of buttercream, stick it to your cake stand or serving plate, rounded side down. Then spread some buttercream on the side that's facing upwards. / Cymerwrch un o ddarnau crwn eich cacen a'i ludo ar eich stand cacennau neu'ch plât gweini gan ddefnyddio ychydig o hufen menyn, gyda'r ochr Gron yn wynebu i lawr. Yna taenwrch rywfaint o hufen menyn ar yr ochr sy'n wynebu i fyny.
- Take the next piece (the other half of the piece you have attached to the board) and cut a hole in the centre. Place this piece on top of the other – it should be held in place by buttercream. Fill the hole with sprinkles and sweets. Add buttercream ready for the next layer. Cymerwrch y darn nesaf (hanner arall y darn rydych chi wedi'i ludo i'r bwrdd) a thorri twll yn y canol. Rhowch y darn hwn ar ben y llall – dylai hufen menyn ddal y cyfan yn ei le. Llenwrch y twll gyda sbrincls a melysion. Ychwanegwch hufen menyn yn barod ar gyfer yr haen nesaf.
- Take the next piece and cut a hole in the centre as you did previously. Add this to the top of the cake on the base to build it up. Add sweets into the hole and fill to the top. / Cymerwrch y darn nesaf a thorri twll yn y canol fel y gwnaethoch gyda'r darn blaenorol. Rhowch hwn ar ben y sylfaen y gacen. Ychwanegwch felysion at y twll a'i lenwi i'r top.
- Put buttercream around the edge which is facing upwards, and add the final piece, creating a sphere with sweets hidden in the centre. / Rhowch yr hufen menyn o amgylch yr ymlaf sy'n wynebu i fyny, ac ychwanegu'r darn olaf, gan greu sffêr gyda melysion wedi'u cuddio yn y canol.
- To give it that Strictly Glitterball-look, cover the sponge with the rest of the buttercream and leave to set. / Er mwyn gwneud i'r gacen edrych fel Pêl Gliter Strictly, gorchuddiwr hi gyda gweddill yr hufen menyn a gadael i'r cyfan galedu.
- In the meantime, roll your grey icing to 5mm thick and cut into squares. Stick these squares around the cake evenly, so that they cover the entire sphere. / Yn y cyfamser, rholiwrch eich eisín llwyd i 5mm o drwch a'i dorri'n sgwariau. Gludwrch y sgwariau hyn o amgylch y gacen yn wastad, fel eu bod yn gorchuddio'r sffêr cyfan.
- For the final touches, make it nice and shiny by spraying the cake with your silver spray. / I orffen, chwistrellwrch y gacen gyda'ch chwistrell arian er mwyn gwneud iddi sgleinio.
