

BBC Children in Need

Letter from Pupil to Headteacher

Dear _____

This year we have decided that we would like to do something to support the work of BBC Children in Need, helping young people in the UK.

We think this work is important because:

- It provides opportunities to children who wouldn't otherwise have them
- It funds counselling and therapy for young people needing support
- We believe that all children deserve equal opportunities and a chance to make something of their lives

Along with many other schools taking part in the UK, we would like to suggest that we also hold a non-uniform day, and would like your help to make sure we collect as much money as possible for this cause.

Please could you help us by:

- Letting us print out posters advertising the event to display around the school
- Delivering communications about the event in the staffroom and in assemblies where possible

We would really appreciate your support in making this an activity that everyone can get involved in. The BBC Children in Need appeal day takes place on Friday 19th November. Please let us know what you think. We look forward to hearing from you.

Kind regards,
