

BBC Children in Need:

Appeal Day Planner

Lesson	Activity	Description	Website Link
Welcome	KS1 BBC Children in Need Cursive Handwriting Practice Worksheets	Provide a calm, independent activity that children can do as soon as they come in while the teacher takes the register. These Children in Need worksheets will help children to develop their fine motor skills and to practise their handwriting.	Link 
Phonics	BBC Children in Need Game: Pudsey's Phonic Fun	This resource includes easy-to-follow instructions, colourful counters and a game board. To complete the game, children must donate all of their picture coins into Pudsey's bucket using the oral blending clues from an adult to find the right coin.	Link 
English	Pudsey's Great Fundraiser Story Map	Use this brilliant story map to retell the main events of the Twinkl Originals story 'Pudsey's Great Fundraiser'. This worksheet could be used as a starting point for the children to write their own stories.	Link 
Assembly	KS1 BBC Children in Need Assembly Pack	Use this lovely KS1 assembly pack to help your children learn all about BBC Children in Need.	Link 
Challenge	Pudsey's Bearpees Challenge	Are you taking on the Pudsey Bearpees Challenge this year? Why not dedicate some time to finishing off the challenge, and hitting the 1000 target together!	Link 

Lesson	Activity	Description	Website Link
Maths	KS1 BBC Children in Need Pudsey's Fundraising Maths Board Game Pack	Board games for KS1 are a great way to teach your class basic instructional words, such as 'roll', 'throw' and 'pass', and this Children in Need game introduces more complex words like 'fundraising' to the mix. All the questions are maths based and will encourage children to work out key stage appropriate calculations to further themselves in the game.	Link 
Create	BBC Children in Need Pudsey Colour by Number	This Pudsey Colour by Number activity is a great way to encourage independent thinking and working. Your students will be too busy having fun to even realise they are learning their numbers at the same time! This engaging colouring activity can help to develop children's number recognition as well as their pencil control and fine motor skills.	Link 
Afternoon Register Time	KS1 BBC Children in Need Addition and Subtraction Maths Activities	Themed around a fundraising bake sale, these individual worksheets cover addition and subtraction within 10 and addition and subtraction within 20. Also included is a codebreaking worksheet which involves addition and subtraction within 30.	Link 
PSHE	BBC Children in Need KS1 Reach for the Stars Lesson Pack	Use this fantastic BBC Children in Need KS1 Reach for the Stars Lesson Pack to introduce children to the importance of friendship in challenging times. This pack contains a lesson plan, presentation and all the worksheets needed to explore ideas around the importance of friendship in achieving our potential.	Link 
Craft	BBC Children in Need Fearne and Rosie Recipe Cards	Use our brand new recipe cards to get baking and teach children all about the joy of being creative through food, whilst fundraising for BBC Children in Need!	Link
