FUNDRAISING TEMPLATE EMAIL

Hi there,

We are excited to announce we are organising our very own **[Choose challenge e.g. Teddy Bears Picnic/sponsored challenge]** as part of our fundraising activity for BBC Children in Need. We are so excited to be getting involved and can't wait to get everyone together on **[date]** for a fun-filled **[day/week]**.

We're raising money to help fund projects and people that provide vital support to children when they need it most right across the UK. Too many children across the UK are facing life's toughest moments alone. Many are living in poverty, with mental health struggles, grief, a disability, or growing up in communities impacted by violence. Every child deserves to thrive and for someone who shows up for them.

BBC Children in Need funds people and projects across the UK that provide vital support to children when they need it most. From youth clubs and counselling services to food banks and mentoring programmes, BBC Children in Need fund projects that help children feel seen, heard, and supported. However, **right now, only 1 in 6 organisations who ask BBC Children in Need for help can currently be funded.**

We'd love it if you could **[Choose how to collect funds and delete where appropriate, e.g: send your little one in with their favourite Teddy, and an optional donation of £1 / donate to our nursery's own JustGiving page here [link to page] / or make an online donation here - <https://donate.bbcchildreninneed.co.uk/earlyyearssingle>]**

Thank you!

TEMPLATE EMAILS FOR PARENTS/CARERS

THANK YOU TEMPLATE EMAIL

Hi there,

Thank you so much for getting involved with our **[name challenge]**, fundraising for BBC Children in Need. Whether you got your little one excited for the day or made a donation, we'd like to say a big thank you to everyone. We hope they had a wonderful time. I'm sure you're as proud as we are of them for enjoying their day whilst raising important awareness and funds for BBC Children in Need.

Right now, only 1 in 6 organisations who ask BBC Children in Need for help can currently be funded. These local projects and people that need funding are providing vital support to children in communities like ours, across the UK. With the support of **nurseries** like ours, BBC Children in Need hope to be able to say yes to more projects.

Your support means there's someone able to give food, clothes and beds to a child living without; someone qualified to talk a child who is anxious, isolated or grieving; and someone to be there for children living with serious illness, disability or carrying a load that's just too heavy to manage alone.

To celebrate our nursery's fundraising, make sure to tune in on 14th November to watch the BBC Children in Need Appeal Show on BBC One. It's set to be an amazing fun-filled night with wonderful stories of hope, where you can see the impact of your donation on children's lives.

Thank you so much!
