CHOOSE YOUR WAY TO FUNDRAISE

By sharing your fundraising and collecting donations, you will raise more money to help us reach children and young people who need us most - in communities just like yours.

Last year, 100% of the money you raised helped support children and young people across the UK - funding local projects and the people who make that support possible. Everything you do will make a difference. Set up your page today and get started!

OPTION 1 SET UP A JUSTGIVING PAGE

Set up a JustGiving page and ask your friends and family to sponsor your nature adventure!

The links below will redirect you to JustGiving's website and its use is subject to their terms of service and privacy policy.

Here's what your fundraising could pay for

£65

could pay for a mentoring session for a teenage girl struggling with intrusive thoughts, equipping her with tools to manage her emotions that will last a lifetime.

£100

could pay for a fitness session for 15 young people living in poverty, boosting their physical health and helping them to connect with others.

£200

could pay for an 11-year-old boy who cares for his younger siblings to go on a weekend away where he can rest, build his confidence and be a child again.

OPTION 2 MAKE A DONATION

Once you've completed your Scavenger Hunt, make a single donation to so that children in the UK have someone by their side.

Here's what your donation could fund

£10

could help to pay for: A resource pack for a child affected by poverty, improving their social, emotional and communication skills.

£20

could pay for a 1-2-1 support session for a young boy who is caring for his mother, giving him a safe space to express his feelings.

£30

could pay for a welcome pack with clothes, toiletries, toys, and books for a child arriving in emergency accommodation - offering comfort and essential support during a difficult time.
